CHOIR ATTENDANCE POLICY- This year's schedule is divided into semesters. Home review of the words for our anthems with the CD is essential for student preparation. Each choir participant is an important part of the group. So that the choristers are well prepared, and out of fairness to the entire choir membership, we ask that you arrange your schedule early to attend these rehearsals. If a rehearsal needs to be missed, we ask you contact us to discuss the matter.

Please contact Tim Young, Coordinator, at 770-971-4600, ext.113 or Timyoung1@bellsouth.net or speak directly with Bess Yunek, director.
